

United States District Court

Western District of Texas

Pecos Division

United States
v.
Thomas Arthur

No. P-19-CR-774-DC

Defendant's Reply to Government's Response
To Defendant's First Motion in Limine

Judge Counts:

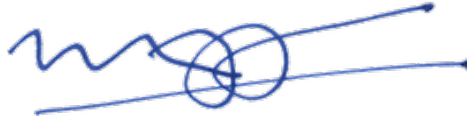

The Government has stated that it does not intend to attempt to offer either 1) opinion evidence that the works in question satisfy any element of the Miller test, or 2) other-bad-acts evidence.

As Mr. Arthur understands this Court's ruling and the Government's position, then, the live issue in Mr. Arthur's first¹ *Motion in Limine* is the predicate for allowing the Government to present Sandra Arthur as a witness against her husband.

Mr. Arthur asks only that the government lay that predicate, and that Mr. Arthur be given an opportunity to take Mrs. Arthur on voir dire outside the jury's presence, before her testimony is offered or described to the jury.

¹ There have been developments today that will require a second motion in limine; this will be filed tonight.

Respectfully Submitted,
